NICHOLAS TAPIA

CYBERSECURITY ANALYST

PERSONAL PROFILE

I am interested in impactful work that makes use of my skills and contributes to the world, especially in the field of computer security.

WORK EXPERIENCE

Cyber Security Associate

JP Morgan Chase | July 2021 - present

- Developed and lead cyber security workshops for technologists and built the associated virtualized networks on JPMC's Cyber Range platform.
- Implemented automated tools for tracking our product's use.

Apprentice

JP Morgan Chase | April 2021 - July 2021

- Learned the different components of JPMC's cyber security infrastructure.
- Learned how to build and deploy virtualized networks in vSphere.

Dance Professional

Self Employed | January 2009 - March 2020

- Opened two studios, taught many private lessons, and worked for UC Berkeley, Arizona State University, Mesa Community College, Arizona Opera, and Empower College Prep.

Photographer

Self Employed | 2011 - 2020

- Specialized in: business headshots, corporate groups and headshots, and candid work scenes.
- Managed client hiring, set up, capture, editing and delivery.

EDUCATIONAL HISTORY

University of Southern California

GIS Certificate | Jan 2013 - Aug 2014

- Studied database structures, remote sensing, site suitability analyses, and cartography.
- Worked with various startups after completion in need of GIS solutions.

UC Santa Barbara

BA Latin American and Iberian Studies | Aug 2006 - May 2011

- GPA: 3.4
- Studies focused on the effects and consequences of globalization during and after the Spanish empire.
